FOR IMMEDIATE RELEASE

### **GROWMARK Seed Division Changes Announced**

Changes in the GROWMARK Seed Division resulted in one promotion and an employee transfer. .

Dennis Garzonio has been promoted to senior research and product manager. He will direct and lead product management, supply planning, and research activities associated with the corn, soybean, and wheat product lines.

Jeff Bunting, formerly weed science technical manager, assumed the role of FS Seed corn product manager, previously held by Garzonio.

GROWMARK is a regional cooperative providing agriculture-related products and services and grain marketing in the Midwest and Ontario, Canada. FS brand farm supplies and related services are also marketed to farmers in the northeastern United States and by GROWMARK subsidiaries. Additional information is available at [www.growmark.com](http://www.growmark.com).
